- How to stay 'On Course'
- How to stay 'On Time'

- Q & A session

If you've never been on a **RoadRally** before or have limited **RoadRally** experience, you should find this school extremely beneficial. If you're a seasoned veteran show up and share your suggestion with the group

**The Rally:** **March On, Sousa** is a very easy course rally. The rally covers about 70 miles of La Crosse County roads. We expect that most teams should be able to negotiate every leg correctly. The first car should finish about 3:30. Trophies will be awarded to the top finishers.
